1. Surin Islands. "Snorkeling Paradise, Beautiful Underwater World":

Surin Islands offers the best snorkeling sites in Thailand. The remote location, clear shallow water and fewer visitors, make for a perfect island adventure. The Surins consist of two main Islands in close proximity of each other with a shallow channel between them that provides a constant supply of flowing water to create the perfect conditions for coral growth and to support a wide variety of marine life. Spend your time with "Nemo" clownfish, octopus, pipefish, coral groupers, and many more! Encounters with sea turtles and reef sharks are also frequent.

Tour Includes: Softdrinks, Snacks, Thai lunch, national park fee and snorkel equipment is provided. **3.900 THB p.P.***

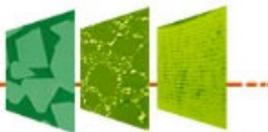

Itinerary:

- 06:20hrs - Pick up from JW Marriott Khao Lak
- 7:00AM Depart from Nam Khem Pier and will be arriving at Surin around 09:00AM
- Arrive at the Surins – 1st Snorkeling spot Visit the Moken sea gypsy village
- Traditional Thai buffet lunch with time for relaxation on the beach
- 2nd Snorkeling spot
- 14:30PM – Depart the islands and head back to the pier. Transfer back to your hotel.

2. Similan Islands. "Snorkeling, Swimming and White Sandy Beaches":

These islands emerge from the azure blue sea in the form of huge granite boulder foundations, topped with lush green vegetation, and skirted by white sand beaches. Swim through the clear warm waters above the bright coral reef, while interesting marine life passes by. Chill out on the idyllic beaches surrounded tropical turquoise waters.

Our unique early morning itinerary is designed to beat the crowds out the Similans in order to give you the best experience available.
